during

8 to 10 months

Serving temperature :

Between 16°C to 18°C (60°F to 64°F)

Decanting is recommended

“Cuvée Maredda red wine presents a pretty *ruby color*.
The nose comes out very *fruity* and brings us back to the
Sciaccarello grape variety with its slightly *peppery notes*.
This wine offers an elegant *flexibility* as well as a pleasant
sweetness.

It gives us a beautiful *structured* with a sustained *freshness*.”
